1) The actual decoration can be different from the picture of the catalogue .

2) Prices can be changed on the basis of size or customer's choice.

3) All the flowers are artificial if the customer wants real flower then the price will be increased.

4) If you want any theme design then we can also do those things too.

5) We decorate for any kind of events including corporate parties, pujas, rice ceremonies and all.

thank
you
